A QUINTESSENTIAL IRISH PUB

Molly Malone's was the first Irish pub to open in Singapore, way back in 1995. More than a quarter-century on, she still maintains that unrivalled jovial atmosphere intrinsic to any classic Irish Pub.

Molly Malone's Irish Pub was actually born in Ireland and transported piece by piece to Singapore, where she was reconstructed in 1995 on the corner of Circular Road and Canton Street. There she remained for just over 9 years, before packing up house and moving across the street to the helm of Circular Road on Christmas Eve of 2004.

When you come for a pint of beer or our famous Fish 'n' Chips, you'll feel that you're in a home away from home. With live music on most nights and all the live sport you could want, Molly's is always lively, full of interesting people, and (of course!) the craic! There's a true blue (or perhaps green?) sense of community at Molly's that you'll be hard pressed to find anywhere else!

MOLLY'S FAMOUS FISH & CHIPS

Our signature dish! Succulent fresh fillet of white fish coated with Mammy Molly's batter & deep-fried until golden brown. Served with chips, fresh lemon & tartare sauce.
